Chief, Supply Division

Discounts, Taxes, and Mischarges

1. As a follow-up on our two meetings relative to subject items, the attached breakdown represents the charges we have discussed. To the right of the listed charges we have indicated our proposal for handling these charges.

2. If you concur with our proposals, please call and we will initiate action to prepare a memorandum on this subject from the Director of Logistics to the Director of Finance. Upon receipt of concurrence from your office, the Supply Division personnel will be instructed to effect these changes accordingly at an agreed date. The Finance and Fiscal elements should also be guided by the same criteria as of the agreed date.
